FILE HEADING.

Release of prisoners and grant of remissions to certain others on the occasion of the holding of the Imperial Durbar at Delhi on the 12th December 1911.

The Asst to the Hon'ble the Resident in Mysore

No. 5722 Dated 20-9-11 Received 25-9-11

Diary No. 1853	Enclos. - Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

States that His Majesty the King Emperor has been graciously pleased on ~~ac~~ act of clemency to grant to prisoners in British India on 12-12-11 releases & ~~re~~ remissions of sentences on certain lines & that these arrangements may be brought for notice of His Highness the Maharaja with the intimation that any similar ~~gr~~ grants taken by the Durbar will be approved by the Govt of India.

NOTES AND ORDERS.

1) Submitted with a draft order on the lines indicated in the D. A. Resident's D.O. ~~It is noted that~~ No such prisoners were seem to have been released on ~~report~~ on the 1st January 1903 on the occasion of the Coronation celebrations of the last Emperor.

It is not known why no action was taken as regards these civil prisoners. A para is however added in the present draft for approval or other orders.

SW(II) 28/7/11 - 2 (1). Draft may be appd

3 (2) A few remarks seem to be necessary.

Among persons who are excluded from the benefit of release the Govt of India particularly specify those sentenced under chapter VI of the I.P.C. for offences against the State or for kindred offences under either the special laws such as newspapers (Incitement to offences) Act or the provisions of laws under which the sanction of Govt is required for a prosecution.

4 There do not seem to be in our State any special law creating a political offence or offence against the State requiring the sanction of Govt for a prosecution

5 The language of para 2(a) of the draft seems to be sufficient for our purposes.

6 On the occasion of the Durbar of 1903 Civil prisoners were not released

7 In the draft portion the suggestion of Govt of India has been adopted though this involves the Govt paying up the debts due by the prisoners at the release. It may be noted here that not more than 3 to 5 persons are actually confined in a year for failure to pay up their debts.

8 In calling for a list of persons recommended for release or remission it is not considered necessary that the District Magistrates or the Ch-Ct. should be consulted in regard to remissions as under the terms of the draft all prisoners except those specially enumerated will get the remission

9 In framing detailed instructions the order of 1902 has been followed as nearly as possible

I do not see why any discretion should be exercised in favour of these men. They are released at the instance of the Sessions Judge

The Sessions Judge is not probably aware of the main condition. There seems to be no object gained in keeping the man in prison any longer - he must be about 73 years old now.

I do not think the case is a fit one for consideration as the petitioner has only undergone 3 years imprisonment

[File limited]

A memorial has been received from Patarthi Shamavadhani and 9 others praying for release. The file is submitted separately for orders.

These people were only recently convicted and do not seem to deserve any consideration. The file is under separate submission.

A very bad case too from all accounts! May reserve no quarter.

The petition seems to deserve perusal. The records are not here but judging from the petition and the fact that the man has already served more than 14 years in jail seems to deserve release rather than remission

The petition of one Singamma requesting that her husband Halappa (IV-505.8) who is under transportation for life may be released as he committed the offence (murder) while he was insane. His case was considered in 1909 and he was not recommended for release but gets a remission of 20 months.

The "B" List has also been checked. In the case of Naga (611) — Serial no 192 in the B List, a remission of 5 months has been recommended. This man was convicted of dacoity and sentenced to 5 years imprisonment. He was besides charged under Sec 110, Criminal Procedure Code for failing to furnish security for good behaviour & has been sentenced to one years imprisonment. It is a matter for consideration, whether he is entitled to the concession (vide clause (c) of para 2 of Govt orders of the 16th October 1911).

The points requiring orders have been noted above by the Office. In addition, there are the cases of a few prisoners now included in the remission list which seem to deserve sympathetic consideration. Their names are given in a separate list and it will be seen that several of them were extremely young when they committed the offences for which they are undergoing punishment. Further particulars regarding each of them are noted in the column of remarks. We have no information why they were not included in the release list.

If necessary these cases may be separately considered

If necessary the Dy. may be consulted and then release may be ordered only if he raises no objection. Some of the prisons would have been in a Reformatory had an institution of that kind existed in the State

Proceedings of the Government of His Highness the Maharaja of Mysore.

NO. J. 1176-85—PRIS. 21-11-2, DATED CAMP MYSORE, 16TH OCTOBER 1911.

ORDER.—The Government of His Highness the Maharaja have, as an act of clemency and grace, resolved to release a number of prisoners and to remit a portion of the sentences of other prisoners in all the jails and the lock-ups in the State on the 12th December 1911, in commemoration of the auspicious occasion of the Imperial Durbar at Delhi to be held by His Majesty the King-Emperor of India.

2. Government desire that this concession should in no case be extended to the prisoners coming under any of the following classes:—

(*a*) Those sentenced under Chapter VI of the Indian Penal Code for offences against the State or kindred offences.

(*b*) Military prisoners convicted by Civil Courts or by Military tribunals.

(*c*) Persons serving terms of imprisonment in default of finding security to be of good behaviour or to keep the peace.

3. It is proposed to release prisoners under the following classes, namely:—

I. General offenders (males).

II. Female prisoners,

and detailed instructions are given below in respect to each class.

4. *General offenders.*—Prisoners up to a number not exceeding 10 per cent of the total number of convicts in each jail, whose conduct has not been bad, who have not had more than two previous convictions and whose original offence was not of an organised character or of such a nature as to render them dangerous to society or to public order, or to result, if they were released, in a renewal of blood feuds, will be released, the number so released being spread as evenly as practicable over all the districts in the State.

5. Prisoners for release may be selected generally from the three classes enumerated below, who, it appears to Government, are specially entitled to clemency, namely, 1st, those who have generally borne a good character and have been led by sudden impulse to commit crimes, such as riot, affray, assault and culpable homicide in a moment of anger or have committed the crimes under circumstances which would greatly extenuate their guilt; 2nd, those who committed the crimes for which they are undergoing punishment at an early age and without the display of any special depravity so that it may be inferred that they erred more from ignorance than from conscious wrong-doing, and 3rd, those who, though the crimes committed by them were of a grave character, have expiated them to some extent by long imprisonment with good behaviour. In this category are to be included a few life convicts of the following kinds:—

(*a*) Those belonging to class (iii) under Rule I of the Mark Rules of 17th April 1899 who have been in prison for fifteen years and those belonging to classes (i) and (ii) who have been in prison for twenty years provided that both have generally behaved well throughout the period of their confinement, and

Class (i). Thugs, robbers by administration of poisonous drugs and professional hereditary or specially dangerous criminals convicted of heinous organised crime such as decoity.

Class (ii). Decoits and other persons convicted of heinous organised crime, who are not professional, hereditary or specially dangerous criminals.

Class (iii). All other prisoners.

(*b*) those who have completed half their sentence and who, on the ground of advanced age or infirmities, are fit subjects for clemency.

6. Prisoners who have become eligible for release in the ordinary course by the termination of their sentences on the 12th December 1911 should not be treated as coming under the 10 per cent limit referred to in para 4 above, nor does this limit apply to prisoners who will be released in pursuance of the further concession made in paragraphs 7 and 9 below. The terms of release of prisoners in accordance with this concession will be the same as those which apply to prisoners released under the ordinary Mark Rules.

7. In addition to the above, the Government are pleased to sanction the release on the 12th December 1911 of all prisoners under sentence of one month or less who will on that date have worked out half the period of the sentence awarded to them.

8. In the case of prisoners who are not selected for release under any of the foregoing clauses, the Government are pleased to grant them remission of sentences on the following scale, provided their conduct whilst in the jail or lock-up has not been bad.

(*a*) Those under sentence of one month's imprisonment or less who will not on the 12th December 1911 have worked out half the period of their sentence shall be granted remission of half their sentence.

(*b*) Those under sentence of more than one month but not more than six months—a remission of fifteen days.

(*c*) Those under sentence of more than six months' imprisonment but not more than one year—a remission of one month.

(*d*) Those under sentence of more than one year's imprisonment—one month per year of sentence imposed.

In calculating remissions, fractions of a year of imprisonment not exceeding one-half should carry fifteen days' remission, and fractions exceeding one-half, one month's remission.

9. *Female prisoners.*—All female prisoners whose offences were not of a serious character shall be released. In this category will fall women who have committed infanticide to hide their shame or other offences under circumstances which would greatly extenuate their guilt. Female prisoners who are not eligible for release will receive remissions on the terms quoted for male prisoners in para 8 above.

10. It is the desire of His Highness the Maharaja that in every case of release or remission of sentence, the reasons for the clemency shown should be explained to each individual concerned in order that all may join in the general rejoicings on the occasion.

11. As in the case of short-term prisoners under sentence of one month's imprisonment or less who are to be released or granted remissions under paras 7 and 8 (*a*) the submission of lists to Government for previous sanction is likely to be inconvenient, the Inspector-General of Prisons is requested to submit a consolidated list of such prisoners released or granted remissions in all the lock-ups in each district and in the jails at Bangalore and Mysore as early after the 12th December 1911 as may be practicable.

12. In the case of other prisoners to be released under paras 4 and 9 and of those whose sentences will be remitted under clauses (*b*), (*c*) and (*d*) of para 8 and the last sentence of para 9, the Inspector-General is requested to cause a list to be carefully prepared in the accompanying Forms A and B and submit the same confidentially for orders of Government on or before the 1st November 1911. He will further furnish at the same time to every District Magistrate an extract from the said list (A) containing particulars of prisoners of his district whom it is proposed to release on the 12th December 1911, and the District Magistrate will after careful scrutiny submit to Government by the 7th November 1911 any suggestions he may wish to offer on the Inspector-General's recommendations. In making the selection, the Inspector-General will be guided by the instructions given above and in all doubtful cases he will (and to save time the Superintendents of the Bangalore

Judicial and Legislative (Prisons), dated 16th October 1911.

Central Jail and the Mysore Jail may themselves directly) seek the advice and suggestions of the Magistrate of the district or of the Courts or Magistrates by whom the prisoners concerned were convicted. The Inspector-General will also simultaneously forward a copy of the said list to the Registrar of the Chief Court, who will place it before the Chief Judge with a view to the Government being favoured on or before the 10th November 1911 with the opinion of the Chief Court as to the desirability of the releases recommended either generally or in individual cases.

13. The orders of Government sanctioning the releases and remissions recommended and prescribing the procedure to be followed in announcing and giving effect to the same will be communicated to the officers concerned in due time before the 12th December 1911.

2. As regards convicts Nos. 3 & 4 Thimma and Gopiya, I have to state that they were concerned in a heinous case of dacoity and I believe they belong to an organized gang of burglars and dacoits. Para 4 of the Government order referred to above excludes such classes of persons from being made the recipients of

the act of clemency from Government, and I do not consider the release of these two prisoners desirable in the interests of public safety.

Offg: Secretary to the Government

Sir,

With reference to para 12 of Government Proceedings No. J. 1176-85/Pris. 21-11-2 dated the 16th October 1911, sanctioning the release of certain classes of prisoners etc in commemoration of the auspicious occasion of the Imperial Durbar at Delhi on the 12th December 1911, I have the honour to submit herewith an extract of List A forwarded by the Inspector General of Prisons, with my marginal notes thereon and to state as follows -

2. Nos: 1 and 2, Kadathalgadu

and Thimmagadu, as well as No: 3 Chinnigadu, belong to a habitual criminal gang of Korachas who, with their abode in the bordering British District of Anantapur, have been and still are a danger to society, giving much trouble with their frequent depredations in the Taluks of Gorikdnur and Bagepalli. It was only with immense difficulty that these three, along with another Giddadu, who subsequently escaped from lawful custody and was eventually recaptured and handed over to the Bellary Jail authorities to there undergo the remaining period of his sentence in British India, were apprehended and brought to justice. A large number of their gang is still at large evading surveillance. It would therefore be inexpedient to release this class of professional offenders. Nos: 1 and 2 may, however, be granted remissions of their sentences under para 8 of the said Proceedings, whil-

No: 3 may be released on the score of old age.

3. Nos: 4 Mohamed Jaffer, 6 Gurumma and 7 Pillamma, may be released as proposed by the Inspector General of Prisons.

4. No: 5 Manikyam was convicted for committing rape on an infant who was much hurt. The offence was of a very cruel and daring nature, and considering the circumstances and the class to which the convict belongs, who on the Kolar Gold Fields are up to any crimes which have to be averted by infusing wholesome awe and fear of law, he does not seem to be deserving of release, but may come under para 8 for remission of a portion of sentence.

5. No: 8 Abdul Gaffur and No: 9 Abdul Rahman, are two of the nine accused persons concerned

in the notorious Sunnakal murder Case of 1904, in which they and one Abdulla Sab had all been sentenced to death and one of them actually hanged. It was a most cold blooded murder com- -mitted "in broad daylight after mature deliberation and settled plan in a most reckless and revengeful spirit" to use the words of the Sessions Judge, and without any "circumstances of any kind to extenuate the guilt". Their havoc and lawlessness were a grave menace to the people who still regard them with dread in that part of the Srinivaspur Taluk, where they were most dangerous and troublesome. They are not deserving of concession, as their release is likely to renew the blood feuds existing in these parts.

I have the honour to be,
Sir,
Your most obedient Servant

In compliance with para 12 of Government Order No. J 1176-85/Misc 21-11-2 dated 16th October 1911, calling for my suggestions, if any, in the matter of release of certain prisoners of this District proposed by the Inspector General of Prisons* in commemoration* Extract from dist. M
of the auspicious occasion of the Imperial Durbar at Delhi on 12th December 1911, I have the honor to state that from the materials now available in the District Police Office, it is ascertained as regards prisoners Gidda, Dokadu, alias Nagadu and Kutcha, the first of them have the Police material against

in detecting the dacoity case in which he was convicted; the second is an old man and the third was a boy of only 12 years at the time of conviction and also confessed his guilt before the judge. For these reasons, they deserve the proposed release.

2. As regards others proposed in the list, I have nothing particular to add except that in the case of Syed Hussain Prisoner No. 880, further enquiries are being made and that if any noteworthy features come to my notice, the matter will be reported to Government immediately.

Sir,

Adverting to para 12 of Government Proceedings No. J. 1176-85 dated Pris 21-11-2 16th October 1911, I have the honour to enclose a copy of the Statement of the names and other particulars relating to the prisoners proposed by the Inspector-General of Prisons to be released on the occasion of the holding of the Imperial Durbar at Delhi by His Imperial Majesty the King-Emperor of India on the 12th December 1911, I have the honour to state that I have added

a

a Column to the statement for the purpose of indicating therein against the name of each prisoner the class to which he or she is believed to belong as specified under the first portion of para 5 of the above quoted Government Proceedings.

2. I see no objection to the release on the 12th December 1911 of the four female prisoners Earé Gowda, Earachi Venkata and Kalle Gowda. But the nature of crime viz murder by poison committed by each of the two female prisoners Putteeri and Durgamma displaying special depravity is of serious nature, as may be observed from the judgments in the two cases as noted in the margin, which are enclosed for perusal and favour of return, and it appears doubtful whether

3. Hassan Sessions case no 5 of 1903-04 Government Durgamma Sec 302 I.P.C.

Whether such prisoners can be recommended for release as those intended to be included under the 3rd Class of prisoners referred to in the first portion of para 5 of the Government Proceedings.

3. The prisoner Mallégowda was convicted by the Sessions Judge of Mysore under Section 302 I.P.Code, but the conviction was modified into one under Section 304 I.P.Code, the Sentence being reduced from transportation to 2½ years rigorous imprisonment in Criminal appeal case No 26 of 1910—11 on the file of the Chief Court. I beg to invite reference to the concluding portion of para 11 of the Sessions Judge's judgment in the case noted in the margin* which is also enclosed for perusal and favour

I am, therefore, of opinion that Dualleyowda may be included in the 2nd Class of prisoners as specified under the first portion of para 5 of the Government Proceedings.

District Magistrate / DEPUTY COMMISSIONER, MYSORE DISTRICT.

To

C.S. Balasundaram Iyer Esq., B.A.

OF HIS HIGHNESS THE MAHARAJA OF MYSORE.
GENERAL AND REVENUE DEPARTMENTS.

SIR,

With reference to para 12 of the Government Order No. J 1176-85/Pris. 21-11-2 dated 16-10-1911, I have the honor to forward herewith a list of prisoners to be released on the memorable occasion of the Imperial Coronation at Delhi on the 12th December 1911, received from the Inspector-General of Prisons and to state as follows:-

Out of 15 prisoners, 13 of them belong to the District proper, and 2 to the French Rocks Circle.

The report of the Mysore District

District Superintendent of Police offering his opinion in the matter is herewith submitted in original He recommends the release of ten prisoners, and for the rest noted in the margin*, he is of opinion that they are not entitled to the release on account of either of the gravity of their offences or of the previous conviction standing against them.

As per dispatch for General of Prisons list
No. 15 Venkati — (Nos 2 4 3 5 (1, 2, 3))
2 Ganga
12 Thayigowda

Upon a separate reference received from the Superintendent of the Mysore Jail, I have intimated my opinion that Venkata is not entitled to the concession of release.

I have therefore no reason to differ from the opinion of the Superintendent of Police Mysore, that ten prisoners may be released and the sentences in respect of the remaining three* may be remitted in accordance with the principles of remission laid down in

Government

Government Order under reference.

As regards the two prisoners of the French Rocks Circle there is apparently nothing against them which would disqualify them from getting the Concession. I have, however, ventured the above opinion pending the receipt of a report due from the Assistant Superintendent of Police French Rocks. He has also been wired to-day, and if his report conflicts with my opinion, I shall submit another communication to Government in respect of these two.

I have the honor to be

The references in this office show that the offences of which no: 8 Kalanaja was convicted was under Sec: 325 of I.P.C and not Sec: 305 as stated in the enclosed list. There appears to be no other Kalanaja convicted of an offence under Sec: 305 of I.P.C and I have therefore considered Sec: 305 to have been by oversight put down for Sec: 325.

S i r ,

Adverting to the Proceedings of Government No.J.1176-85/Pris.21-11-2 dated the 16th October 1911 I am directed to state that on receipt from the Inspector-General of Prisons of a copy of the list of prisoners recommended by him for release, the Sessions Judges have been consulted, especially in regard to - lifers. The Sessions Judge of Shimoga is not in favor of releasing Dakkadu alias Nagadu (No.45 in the list) as he is a dangerous professional robber. The Bangalore Sessions Judge is of opinion that prisoners Dodda Munappa, Ninga, Abdul Gaffoor and Abdul Rahiman (Nos.50,54,55 & 56) do not deserve any remission as the murders for which they were sentenced were deliberate and cold-blooded. The ~~Shimoga~~ Mysore Sessions Judge has no objections to urge. The Chief Court agree generally in the opinions expressed by the Sessions Judges.

The Chief Court ~~has~~ have no objections to the release of Rajashah alias Gareeb Shah, Rajagin and Bheema (Nos.48,49 & 50).

I am ~~directed~~ to add that the opinion expressed by the District Magistrate of Kadur in his letter to you of the 3rd instant, copy of which has been sent to the Chief Court, also commends itself to the Judges.
